

BUSINESS PARTNERSHIP COLLABORATION

Collaboration Proposal For Your Barbershop

We are seeking to visit your business for a professional video shoot as well as a luxury photoshoot. Our production team wants to record specific, high-definition hairstyles, mani pedi sessions, unique haircuts, and dramatic before & after results that showcase the precision and mastery of your barbers.

GrowBro will provide you with professional and luxury branded videos customized for modern social media algorithms. We will showcase these videos both on your and our Instagram feeds, as well as embedded directly on your website. If you don't have a website, we will build one for you as part of our premium partnership scope.
